EMPLOYMENT OF TWO SURVEYORS IN A.R.P. CONTROLLER'S OFFICE, BANGALORE.

Sir,

I have the honour to enclose a copy of a note of the Assistant A.R.P. Officer (Engineering) regarding the establishment required to execute urgent works connected with A.R.P. in Bangalore City and to request immediate sanction to the appointment of 2 experienced surveyors on a pay of Rs.80/- plus Rs.20/- per month each for a period of three months.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

KVN.

NOTE BY THE ASSISTANT A.R.P. OFFICER, (ENGINEERING) DATED 16-4-42.

Subject:- EMPLOYMENT OF TWO SURVEYORS IN A.R.P. CONTROLLER'S OFFICE, BANGALORE.

It has now been proposed to provide shelter for the public in some of the buildings of a public nature by making a few rooms in each, blast and splinter proof. It has also been suggested to build surface shelters in open spaces. Besides all the wardens' posts, first aid posts, depots, police stations etc., have to be made blast and splinter proof.

This involves considerable strenuous executive work especially as these things have to be constructed throughout the City in a very short time and hence two surveyors who have experience in Bangalore may kindly be recommended to be transferred to A.R.P. work.

Their pay of Rs.80/- each and allowances of Rs.20/- each may kindly be sanctioned.

Inspector General of Police

Ch 26-9

With reference to the question of the withdrawal of the two Surveyors from this office, I have the honour to state that the orders of transfer of the two Surveyors was received by this office on 8th September 1942. Just then Major Sansome was inspecting the A.R.P. works in the City and considerable changes in the designs of blast walls and protection to Wardens' Posts had to be effected as per his instructions.

Further, Mr.Sri Harshan was out on special duty at Shivasamudram. The blast walls in the City that were constructed before had been damaged ~~xx~~ during the disturbances and they had to be dismantled.

For the sake of doing all the above works, the services of the Surveyors were continued. In the meantime, further representation was made to continue them as there are plenty of works on hand.

Further, they are the leaders in Rescue work and Mr.Venkatesiah, Assistant Engineer is in Mysore. These two Surveyors have to train further rescue parties.

Hence, I submit that there are plenty of works to do, such as constructing protective works to the

to the various Wardens' Posts and Public Shelters, Slit Trenches etc., in the City. Further, rescue parties have to be trained and designs for blast walls have to be done. The services of the two Surveyors are very necessary and as such, orders may kindly be issued to retain them here till the end of the official year.
